Mineral Reclamation Program  
P.O. Box 145801  
Salt Lake City, UT 84114-5801

Subject: Reilly Industries, Inc. – Point of Diversion

Dear Mr. Jensen:

Please find attached the Point of Diversion documents for our Pond System VI pump station. We removed the pump station from Pond System V and relocated it to Pond VI.

If you need to, please feel free to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Gregory Foy".

Gregory Foy  
Plant Manager

REPORTS

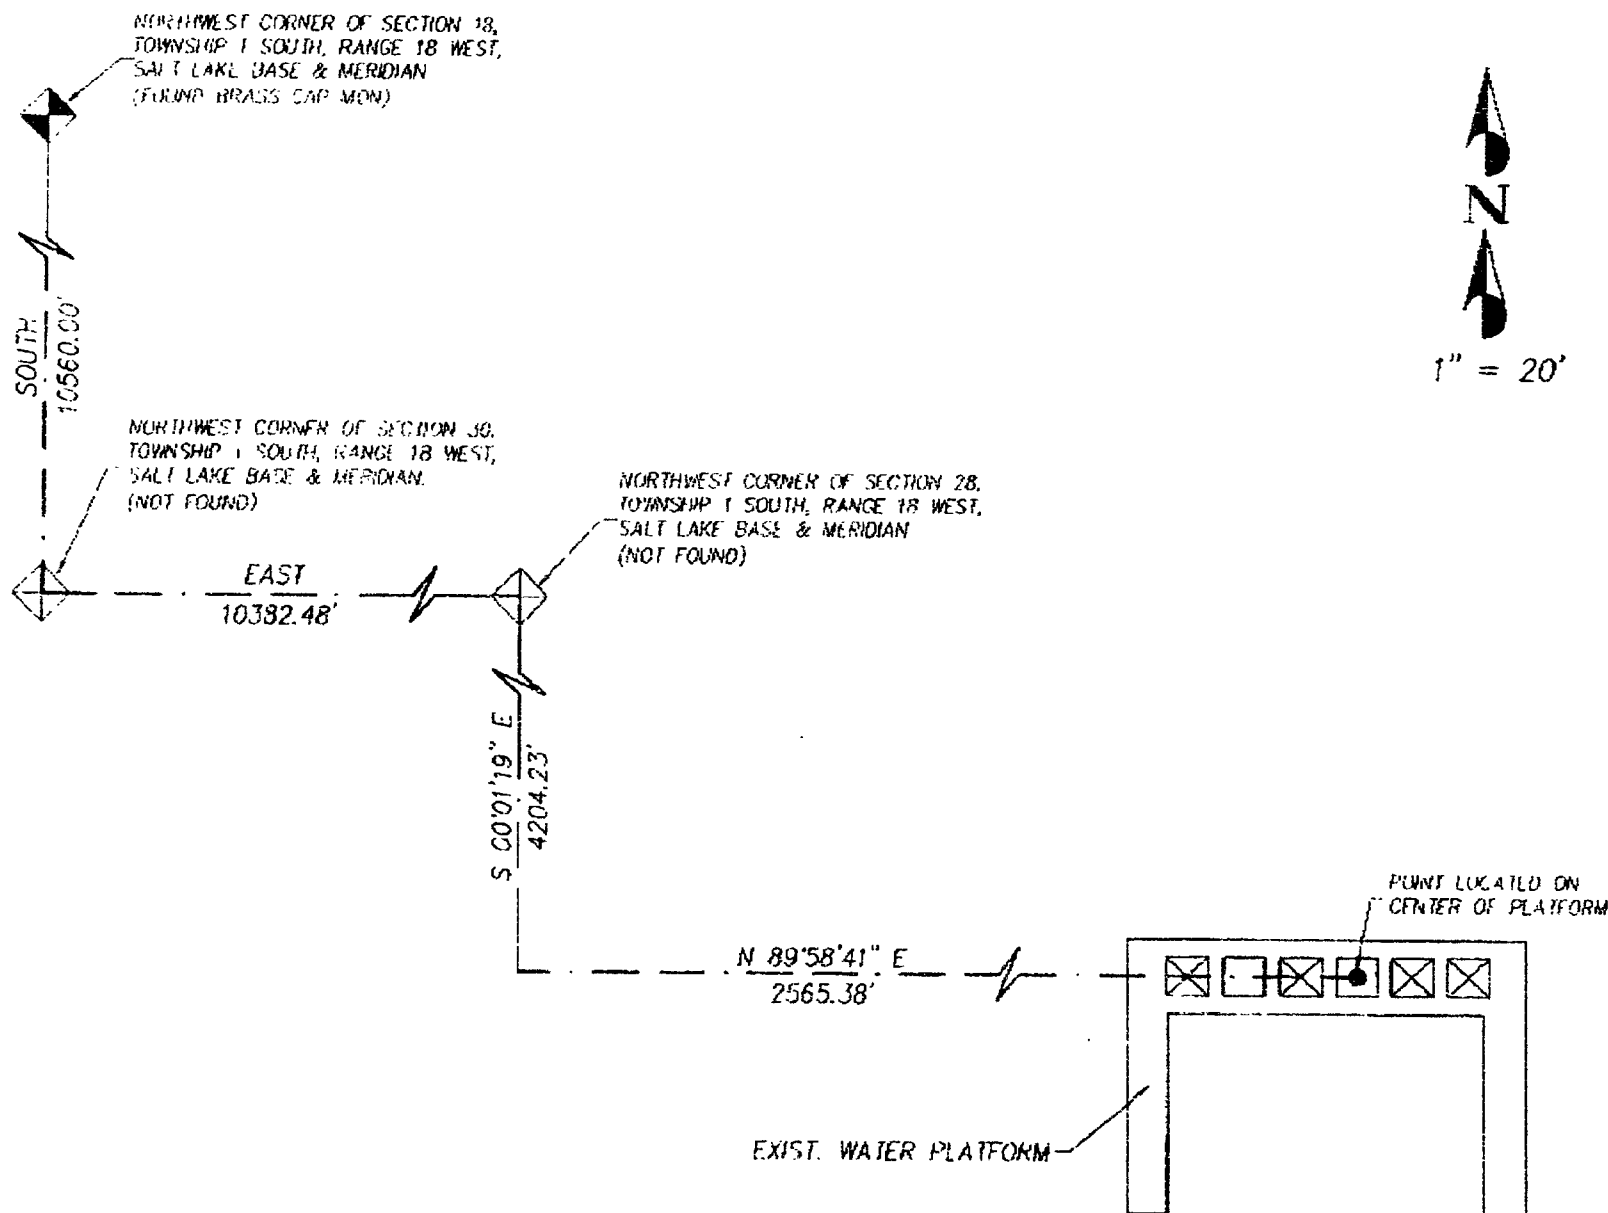

August 27, 2001

**Pond System VI**  
**Pump Station Location**  
**Point of Diversion Description**

A point on the middle of an existing pump station platform, said point being located from the following section ties:

Beginning at the Northwest Corner of Section 18, Township 1 South, Range 18 West, Salt Lake Base and Meridian, said corner being a found brass cap monument; thence South along the West township line 10,560.00 feet to the Northwest Corner of Section 30, a calculated section corner; thence East 10,382.48 feet; thence South  $00^{\circ}01'19''$  East, along the West line of said section line 4,204.23 feet; thence North  $89^{\circ}50'41''$  East, 2,565.38 feet to the middle of said pump station platform.

**\*All Section lines tied were calculated from the found Northwest Corner of Section 18 monument down to section 28 using the GLO notes, Book 344.**
